2025 CHISELLED BEE MODELS

Forge de Laguiole is proud to introduce the exclusive 2025 selection of 8 folding knives and 2 sommelières from the COLLECTION range.

Conceived as a veritable tribute to our expertise, these knives feature original materials, meticulous workmanship and refined aesthetics. Among these pieces, discover our knife with its decorative rivet, as well as a subtle combination of plates and inlays to highlight the fine work and magnify the precious material of the handle. Each knife is the fruit of meticulous craftsmanship: the bee and spring, forged and chiselled by hand using files and burins, are testimony to our attachment to tradition and ancestral know-how.
