Pratesi®

M'ama Non M'ama

A sweet revelation of wistful romance, of affectionate longing — that is the story of M'ama Non M'ama. The legendary splendor of the Moorish palaces comes to life in Marrakesh. This new collection is sateen-appliquéd with an ogee curve motif inspired by Byzantine and Islamic architecture. Paolina

Reviving a treasured archival design, Paolina is adorned by an interlinked palmette motif embroidered in shimmering thread. The palmette—a stylized form of the lotus, lily, or palm—is ubiquitous in ornamental art, tracing its lineage back to Ancient Egypt. This symbol of everlasting life imbues Paolina with mysterious magnificence. Paolina's base fabric is Angel Luxe, our signature percale woven from the finest Egyptian cotton fibers. It is hand-cut and finished with mezzo punto hemstitch at our Italian ateliers.

Treccia Collection

Pratesi®

Treccia

Inspired by the spiraling columns of Florentine architecture, Treccia's classic chain motif speaks to an everlasting European splendor. A master artisan embroiders the pattern in a vividly contrasting color over our Angel Luxe Egyptian cotton percale, employing matchless artistry and Italian craftsmanship passed down through the generations. A beautifully scalloped edge in the matching stitch color lends Treccia both refinement and warmth. Each Treccia piece is further distinguished by the embroidered Pratesi logo.

Treccia Moderno Collection

Pratesi®

Treccia Moderno

Treccia Moderno brings an enlightened sensibility to the European Grandeur of its namesake collection. It features the classic chain motif in a contrasting shade over our Angel Luxe Egyptian cotton percale, and finished with a mezzo punto hemstitch that matches the base fabric color. The result is a remarkable collection that exudes magnificence and modernity in equal measure. Each Treccia Moderno piece is further distinguished by the embroidered Pratesi logo.

Tre Righe Ombre

Reimagining our legendary Tre Righe motif that was created for Mlle Chanel in 1927, Tre Righe Ombre's three lines in subtly gradating shades exude modern, soigné, and mysterious allure.

Tre Righe Splendore

Reimagining an iconic collection, Tre Righe Splendore is a lustrous adaptation of its namesake collection's signature three-line motif, applying this symbol of sophistication to a base of 100% extra-long-staple cotton sateen. Available in three colorways, the collection is finished with a white mezzo punto hemstitch and double-faced embroidery—echoing perfection in every detail.

Vivaio Collection

Pratesi®

Vivaio

A revival of one of the most beloved Pratesi archival designs, Vivaio embodies Tuscan romance, optimism, and luxuriance with its floral pattern printed on our Angel Luxe Egyptian cotton percale base. Expressing spring wildflowers and spirited ribbons, the motif is complemented by a refined scalloped edge in a matching blue hue. Each Vivaio piece is further distinguished by the embroidered Pratesi logo.
